CALLING CALIFORNIA AEROSPACE SMALL BUSINESS EXPORTERS!

The California Governor's Office of Business and Economic Development (GO-Biz) is supporting California small businesses participation at the California-Mexico Aerospace Business Summit. The Summit will feature an inbound business delegation of Mexican buyers, potential partners, and buying authorities from major aerospace clusters of Mexico.

WHO SHOULD PARTICIPATE?

California small businesses with solutions in:

- Civil & Commercial Aviation
- Aircraft maintenance
- Airport Equipment and Services
- Aircraft components and parts
- Aviation & helicopter services
- Defense

California companies will meet in-person with pre-screened government/procurement officials, distributors, buyers, importers, partners, and industry multipliers recruited by our U.S. Embassy & Mexican Consulate colleagues. California companies will be pre-assessed to ensure products and services align with the participating foreign firm's objectives.

INVITED MEXICAN OFFICIALS (to include, but not limited to):

Government Officials:

- Luis Lizcano, President of FEMIA
- General Javier Sandoval, President of FAMEX

Mexican companies in the following Aerospace Clusters

- Baja Aerospace Cluster
- Chihuahua Aerospace Cluster
- Monterrey Aerospace Cluster
- CODESA (Sonora)
- BJX Aerospace Cluster
- Queretaro Aerospace Cluster
- Estado de Mexico Cluster

EVENT FORMAT

California participants will first meet in a group setting with key players from Mexico who will explain their organizations' plans, priorities, needs, and procurement processes. After the group presentations, California delegates will meet one-on-one with relevant authorities to present their products/services. California participants will also have the option to request one-on-one meetings with U.S. embassy officials to gain insights into real-time market access. The event will end with a networking session.
